MIAMI-DADE - BROWARD - PALM BEACH

Miami-Dade TPO, Broward MPO, and Palm Beach TPA Jointly Host the 2020 Safe Streets Summit (February 6-7, 2020):

The seventh annual two-day conference will be hosted in Fort Lauderdale

WHAT: The Summit is a collaborative effort of the Miami-Dade Transportation Planning Organization, the Broward Metropolitan Planning Organization, and the Palm Beach Transportation Planning Agency to provide a local, yet regionally connected, approach to prioritizing and implementing Complete Streets throughout southeast Florida. The Summit will educate elected officials, transportation professionals, technical staff, and community partners on designing and implementing safe and equitable transportation facilities for all modes of transportation.

The Summit will take place over two days. The first day attendees will participate in mobile workshops. The workshops will showcase several Complete Streets projects through active modes of transportation in various surrounding cities. The second day will be the full conference day. It will feature Mikael Colville-Andersen and Jay Pitter as keynote speakers and several others who champion Complete Streets, as well as break-out sessions, and networking opportunities. For more information visit safestreetssummit.org.
