

# PUBLIC NOTICE

## POSTING OF THE BROWARD MPO'S DECISION TO REJECT ALL PROPOSALS TO THIS SOLICITATION

SOLICITATION NUMBER: RFP No. 16-03

PROJECT: Information Technology & Telecommunication Services

- The Broward MPO has elected to reject all proposals for the above referenced project with the intent to Re-Advertise.
- Vendors who previously submitted a proposal for this project must submit a written letter by the closing date of the re-advertisement indicating their desire for the Broward MPO (i) to consider the previously submitted proposal; or (ii) any changes or modifications they deem appropriate. A Vendor's failure to submit a timely written letter of direction to the Broward MPO will nullify the previously submitted proposal.
- The rejected proposals received for RFP No. 16-03 remain exempt from the public records until such time as the Broward MPO provides notice of an intended award decision concerning the reissued solicitation.

*It is the responsibility of all potential proposers to monitor the Broward MPO solicitation site for any and all advertisements, re-advertisements or changing information for this project.*
