### ***The Position***

The Broward Metropolitan Planning Organization (MPO) has an exciting opportunity for a talented transportation professional to join our organization as the **Manager of Project Programming**. This position performs intermediate level professional planning work with primary responsibility for administration of the MPO's project programming activities, which include the Multimodal Priorities List and Transportation Improvement Programs as well as support for the Metropolitan Transportation Plan. This position serves as the liaison between the MPO and our transportation partners at FDOT, FHWA and local governments to ensure effective continuing coordination and communication on project programming issues. This position reports to the Deputy Executive Director for Planning and Programming. Prior experience with work program and TIP development is desired, but not necessary. ### ***About Broward MPO***

The MPO provides essential multimodal transportation planning services to over 30 municipalities and Broward county under state and federal laws, while also working with partners in Miami and Palm Beach to plan for the Southeast Florida region. The thriving region is home to almost six million residents, with almost two million in Broward county alone, and another two million anticipated to call Southeast Florida home in the next 20 years.

Our office is located in beautiful Fort Lauderdale, Florida, within a short drive to world famous attractions and recreational activities including Miami Beach, Palm Beach, Florida Keys, Everglades, fishing, boating, beautiful beaches, and Orlando and its theme parks. Our region is the fourth largest urbanized area in the United States with a diverse population and opportunities for both urban and suburban lifestyles.

The MPO embraces diversity and is a place where employees are appreciated, respected and cultivated with excellent opportunities for professional development and growth. We encourage innovation and efficiency among employees.

## ***The Candidate***

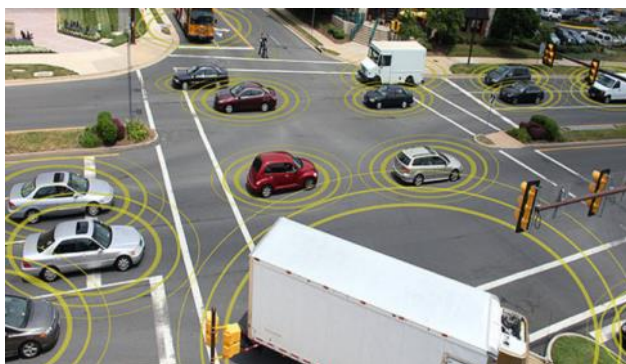

The ideal candidate is a mid-level transportation professional with a passion for multimodal transportation and regional planning with a desire to grow their career with a progressive goal oriented organization. They have strong technical knowledge, interest in working in a fast paced environment, often as part of a team, looking for an opportunity to learn new skills, and desire to be part of an organization focused on expanding transportation options for the public. Candidates should have strong written and verbal communication skills.

The successful candidate will hold a Bachelor's Degree in City, Urban or Regional Planning, Transportation Planning, Engineering, Geography, or related field. A Master's Degree with at least two years experience is preferred. Candidates with an equivalent combination of relevant training and experience that provides the requisite knowledge, skills, and abilities for this job should apply.

## ***Benefits***

The Broward MPO offers a generous compensation package that includes both salary and benefits. Benefits include:

- Medical (paid for employee and subsidized family coverages)
