The Executive Director shall determine whether an Offer is to be disqualified in such instances.

If, at any time during the RFQ process, filings, notices or like documents are submitted to any regulatory agency concerning the potential acquisition of Offeror, or the sale of a controlling interest in the Offeror, or any similar transaction, Offeror shall immediately disclose such information to the BMPO. Failure to do so may result in the Offer being disqualified, at the BMPO's sole discretion.

1-21 LEGAL REQUIREMENTS

Offeror's are required to comply with all provisions of federal, state, county and local laws, ordinances, rules and regulations that are applicable to the Services being offered in this RFQ. Lack of knowledge of the Offeror shall in no way be a cause for relief from responsibility, or constitute a cognizable defense against the legal effects thereof.

1-22 FAMILIARITY WITH LAWS AND ORDINANCES

The submission of an Offer on the Services requested herein shall be considered as a representation that the Offeror is familiar with all federal, state and local laws, ordinances, rules and regulations which affect those engaged or employed in the provision of such services, or equipment used in the provision of such Services, or which in any way affects the conduct of the provision of such Services; and no plea of misunderstanding will be considered on account of ignorance thereof. 1-26 AMENDMENTS

The BMPO reserves the right to issue amendments to this RFQ. Each Offeror shall acknowledge receipt of such amendments on the form provided in Section 5. In the event any Offeror fails to acknowledge receipt of such amendments, his/her Offer shall nevertheless be construed as though the amendments had been received and acknowledged and the submission of his/her Offer shall constitute acknowledgment of receipt of all amendments, whether or not received by him/her. It is the responsibility of each prospective Offeror to verify that he/she has received all amendments issued before depositing the Offer with the BMPO.

1-27 EQUAL OPPORTUNITY AND DISADVANTAGED BUSINESS ENTERPRISE ("DBE") PROGRAM

By submitting a response to this RFQ, Offeror certifies that it does not discriminate on the basis of race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, as amended 42 USC 2000d to 2000d-4, and Title 49 CFR, Part 21, the Civil Rights Restoration Act of 1987 and the Florida Civil Rights Act of 1992 in the performance of the Services requested herein. Failure of Provider to comply with this provision may result in the immediate termination of the Agreement by the BMPO or such other remedy as the BMPO deems appropriate.

As a recipient of federal funds, the BMPO is required to establish a Disadvantaged Business Enterprise (“DBE”) Program and a DBE participation goal when it is anticipated that more than \$250,000 of federal funding will be available for 3rd party contracting opportunities within the federal fiscal year. The BMPO developed a Disadvantaged Business Enterprise (“DBE”) Program with an overall goal of 8% DBE participation, and submitted the DBE Program to the Federal Transit Administration (“FTA”) for approval. When a BMPO project is funded with assistance from the Federal Highway Administration (“FHWA”) the overall DBE participation goal is 9.91%. EXHIBIT “A” SCOPE OF SERVICES

Disadvantaged Business Enterprise (DBE), Title VI Programs and Limited English Proficiency (LEP) Plan and Title VI and Environmental Justice Reviews of Plans & Programs

The scope of services is split into two emphasis areas:

Emphasis Area 1: To Update and Support the Implementation of the MPO’s Disadvantaged Business Enterprise (DBE), Title VI Programs and Limited English Proficiency (LEP) Plan.

Emphasis Area 2: To Conduct Title VI and Environmental Justice Reviews of MPO Plans and Programs.

Emphasis Area 1: To Update and Support the Implementation of the MPO’s Disadvantaged Business Enterprise (DBE), Title VI Programs and Limited English Proficiency (LEP) Plan.

Title VI/Limited English Proficiency (LEP) Plan

The Broward MPO is a direct recipient of Federal Transit Administration (FTA) funds. FTA recipients must submit a Title VI Program every three years. The Federal requirements state that the Title VI Program must be approved by the MPO Board responsible for policy decisions.

The purpose of the Title VI Program, which includes a Limited English Proficiency (LEP) Plan, is to describe the measures taken by the MPO to assure compliance with the rules and regulations associated with Title VI. The FTA issued guidance, effective October, 2012, in the form of a revised circular (Circular 4702.1B.

<http://www.fta.dot.gov/civilrights/12328.html>). This guidance is intended to help recipients of FTA funding better understand and comply with the Title VI of the Civil Rights Act of 1964, which protects people from discrimination based on race, color or national origin in programs or activities that receive federal assistance.

The Broward MPO first established its Title VI Program in December 2011 and updated it in October, 2014. The CONSULTANT should ensure this second update is conducted and adopted by **October, 2017** but no later than December, 2017. (See Title VI Program letter of concurrence from FTA on the MPO’s Title VI/DBE webpage <http://www.browardmpo.org/index.php/title-vi-dbe>)

Disadvantaged Business Enterprise (DBE)

It is the Broward MPO's policy to ensure that disadvantaged (DBE) and small (SBE) businesses, as defined in CFR, Part 26, have an equal opportunity to receive and participate in USDOT-assisted contracts. It is also the Broward MPO's policy to:

- Ensure nondiscrimination in the award and administration of USDOT-assisted contracts;
- Create a level playing field on which DBE/SBEs can compete fairly for USDOT-assisted contracts;
- Ensure that the DBE Program is narrowly tailored in accordance with applicable law;
- Ensure that only firms that fully meet 49 CFR, Part 26 eligibility standards are permitted to participate as DBEs;
- Help remove barriers to the participation of DBE/SBEs in USDOT-assisted contracts; and
- Assist the development of firms that can compete successfully in the market place outside the DBE Program.

The team should be aware of the most recent revisions through Federal Register notices issued in June 1999, November 2000, June 2003, February 2010, January 2011 and November 2014.

The Broward MPO's current DBE participation goal is for 8.0% of federal funds for FTA projects (as of July 2014 through July 2017) and 9.91% for FDOT's FHWA assisted contracts. The CONSULTANT should ensure that our FTA goal is updated allowing for appropriate public comment period by **August 1, 2017** as required by the FTA. (See DBE letter of concurrence from FTA on the MPO's Title VI/DBE webpage <http://www.browardmpo.org/index.php/title-vi-dbe>)

In summary the MPO seeks a qualified firm to:

1. Update the MPO's Disadvantaged Enterprise (DBE) Program.
2. Revise and update the MPO Title VI Program in compliance with FHWA requirements and FTA's Title VI Circular 4702.1B and or other more subsequent updates/regulations for example 2014 updates. The revised Title VI Program **must be adopted by the MPO Board and submitted to the FTA with the appropriate documentation by October, 2017.**
3. Create Standard Operating Procedures (SOPs)/Check List and suggested timeline for future updates as well as the on-going implementation of the MPO's DBE Program ensuring related functions such but not limited to procurement and finance are involved.
4. Ensure templates are created as needed and appropriate as part of creating the SOPs.

5. Presentations should be made to our Advisory Committees (Technical Advisory Committee/Citizens Advisory Committee) and Board as needed to ensure we meet FTA/FHWA requirements for back up needed for federal approval.
6. Ensure Industry consultation in the update process.
7. Update the MPO's Limited English Proficiency (LEP) plan which includes a Four Factor Analysis.
8. Conduct outreach during the update process of the DBE and Title VI Programs and the LEP and submit recommendations for future outreach activities for the MPO.
9. Ensure content on our website and other publications are compliant and up to date.
10. Plan and conduct outreach, education and other initiatives to support the MPO in the implementation of its DBE, Title VI Programs and LEP plan.

Emphasis Area 2: To Conduct Title VI and Environmental Justice Reviews of MPO Plans and Programs.

During the Broward MPO's 2016 state certification, the following question was asked as part of the evaluation:

Does the MPO conduct an annual review of their program areas to determine their level of effectiveness in satisfying the requirements of Title VI? If so, please explain.

The MPO has and continues to incorporate Title VI/EJ analysis in the planning process as a part of the organization's minimum federal requirements. The MPO has conducted such analysis and/or used EJ evaluation criteria in the Long Range Transportation Plan (LRTP) update, the Transportation Improvement Program (TIP), a number of its corridor studies, in its evaluation of public participation and outreach, and in the recently initiated Complete Streets and Localized Initiatives Program (CSLIP).

The goal of this emphasis area is to build upon the EJ analysis and evaluation described above and take tangible steps to go above and beyond the minimum requirements set forth by the Federal Government. The desire is to conduct Title VI and Environmental Justice reviews that lead to practical suggestions and an implementable processes staff can apply to consistently evaluate all of the MPO's plans and programs, to improve the planning process, ensure equity and determine the level of effectiveness in addressing these issues, and satisfy the Federal requirements for EJ and Title VI.

The CONSULTANT shall submit and present a detailed work plan and a process that MPO staff would follow to answer the state's question. This process should be achievable and appropriate for the Broward MPO and its planning area/region, with MPO's resources readily available for this effort.

When responding to Emphasis Area 2 CONSULTANTS should use the background and suggestions above as a guide **ONLY** to develop an approach to ensure that the MPO achieves the required results being requested by our state and federal partners. CONSULTANTS should develop an approach, detailed work plan, strategies, detailed deliverables and timeline for not only conducting the reviews of our plans and programs but addressing/implementing suggestions/outcomes of the reviews.

The CONSULTANT, when responding to **both Emphasis Areas**, should ensure that the format of the proposed approach be a detailed proposed work plan, with associated deliverables by task (include subtasks if necessary) and timeline. The CONSULTANT should make it clear how the effort will be managed and organized. It is expected that the CONSULTANT will use past successful experiences and apply them to ensure the successful completion of these two emphasis areas.

The CONSULTANT shall at all times keep in mind that materials developed should be visual and easy to comprehend as well as adhere to the MPO's style guide and branding.

Interested firms should submit an offer that addresses all factors discussed in this RFQ. The successful firm shall be responsible for requests identified in this Scope of Services as well as make suggestions for additional tasks that must be included to ensure that the goals and outcomes outlined above are accomplished.

IN CONSIDERATION OF THE MUTUAL COVENANTS AND CONDITIONS HEREIN EXPRESSED AND THE FAITHFUL PERFORMANCE OF ALL SUCH COVENANTS AND CONDITIONS, THE PARTIES AGREE AS FOLLOWS:

SECTION 1. SCOPE OF SERVICES

- 1.1** The CONTRACTOR must meet the requirements and perform the services identified in the Request for Qualifications for the BMPO's Disadvantaged Business Enterprise (DBE), Title VI Programs And Limited English Proficiency (LEP) Plan And Title VI Environmental Justice Reviews of Plans & Programs, RFQ No. 17-01, dated _____, ("RFQ"), referenced hereto and made a part hereof, as Exhibit "A", and the CONTRACTOR'S Offer, attached hereto and made a part hereof, as Exhibit "B"; and
- 1.2** The Federal Transit Administration ("FTA") Required Contractual Provisions (attached hereto as Exhibit "C-1"), and the Federal Highway Administration ("FHWA") Required Contractual Provisions (attached hereto as Exhibit "C-2), collectively hereafter referred to as the "Federal Contractual Provisions" are attached hereto and made a part hereof, collectively as Exhibit "C". Prior to beginning the performance of any services under this Agreement, the CONTRACTOR will be provided with a Notice to Proceed from the BMPO. This Notice to Proceed will specify the applicable Federal Contractual Provisions which will apply to this Agreement and the services to be provided accordingly.
- 1.3** The parties agree that the Services and the Federal Contractual Provisions, as specified in Exhibits "A", "B" and "C", (hereinafter collectively referred to as the "Scope of Services" or "Services") contain the description of Contractor's obligations and responsibilities and are deemed to include preliminary considerations and prerequisites, and all labor, materials,

equipment and tasks which are such an inseparable part of the work described that exclusion would render performance by Contractor impractical, illogical, or unconscionable.

- 1.4 CONTRACTOR agrees and acknowledges that CONTRACTOR is prohibited from exempting provisions of the Scope of Services and this Agreement in any of CONTRACTOR's Services pursuant to this Agreement.

SECTION 2. TERM

- 2.1 The term of this Agreement will be for a period of **Two (2) Years** (the "Term") which shall begin on the date it is fully executed by both parties and shall remain in effect until such a time as the Services acquired in conjunction with this RFQ have been completed and accepted by the BMPO in accordance with this Agreement and the terms of the Request for Qualifications.
- 2.2 Prior to beginning the performance of any services under this Agreement, the CONTRACTOR must receive a Notice to Proceed. CONTRACTOR shall perform the services describe in the Scope of Services within the time periods specified therein, said time periods shall commence from the date of the Notice to Proceed for such Services; **however this Agreement shall terminate no later than _____**, unless terminated earlier pursuant to Section 4 of this Agreement.
- 2.3 The BMPO through its Executive Director and the CONTRACTOR may further extend this Agreement by mutual consent, in writing, for no more than six (6) months, prior to the expiration of the then current term. This provision in no way limits either party's right to terminate this Agreement at any time during the initial term or any extension thereof, pursuant to Section 4 of the Agreement.

SECTION 3. COMPENSATION

- 3.1 In consideration for the Scope of Services to be performed by CONTRACTOR pursuant this Agreement, the BMPO agrees to pay CONTRACTOR, in the manner specified in the Scope of Services, the total amount not to exceed _____ AND NO/100 Dollars (\$_____.00). The amount of compensation payable by the BMPO to CONTRACTOR shall be based upon the amounts negotiated between the parties as indicated on attached Exhibit "B", which amount shall be accepted by CONTRACTOR as full compensation for all such work performed under this Agreement. It is acknowledged and agreed

by CONTRACTOR that these amounts are the maximum payable and constitute a limitation upon BMPO'S obligation to compensate CONTRACTOR for its Services related to this Agreement. This maximum amount, however, does not constitute a limitation of any sort, upon CONTRACTOR's obligation to perform all items of work required by or which can be reasonably inferred from the Scope of Services.

- 3.2** CONTRACTOR may submit an invoice for compensation, developed and agreed upon by the BMPO Executive Director and CONTRACTOR, no more often than on a monthly basis, but only after the services for which the invoices are submitted have been completed. Invoices shall designate the nature of the services performed and shall also show a summary of fees with accrual of the total and credits for portions paid previously.
- 3.3** BMPO shall pay CONTRACTOR in accordance with the Florida Prompt Payment Act. Additionally, payment may be withheld by the BMPO Executive Director for failure of CONTRACTOR to comply with a term, condition or requirement of this Agreement.
- 3.4** Notwithstanding any provision of this Agreement to the contrary, the BMPO Executive Director may withhold, in whole or in part, payment to the extent necessary to protect BMPO from loss on account of inadequate or defective work which has not been remedied or resolved in a manner satisfactory to the Executive Director. The amount withheld shall not be subject to payment of interest by BMPO.
- 3.5** Payment shall be made to CONTRACTOR at:

- 3.6** CONTRACTOR agrees to keep such records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged for which CONTRACTOR receives reimbursement for a period of at least three (3) years after completion of the work provided for in this Agreement. Such books and records shall be available at all reasonable times for examination and audit by BMPO.
- 3.7** If it should become necessary for BMPO to request CONTRACTOR to render any additional services to either supplement the services described in the RFQ or to perform additional work, such additional work shall be performed only if set forth in an addendum to this Agreement. Any such additional work agreed to by both parties shall be performed at the same rate in the schedule of fees included in Exhibit "B-1".

SECTION 4. TERMINATION

- 4.1** This Agreement may be terminated for cause by action of the BMPO Board if the CONTRACTOR is in breach and has not corrected the breach within thirty (30) days after written notice from the BMPO identifying the breach, or for convenience by action of the BMPO Board upon not less than sixty (60) days' written notice by the BMPO Executive Director.
- 4.2** This Agreement may be terminated for cause by the CONTRACTOR if the BMPO is in breach and has not corrected the breach within sixty (60) days after written notice from the CONTRACTOR identifying the breach.
- 4.3** Termination of this Agreement by the BMPO for cause shall include but not be limited to, failure to suitably perform the services, failure to continuously perform the services in a manner calculated to meet or accomplish the objectives of BMPO as set forth in this Agreement or multiple breaches of the provisions of this Agreement notwithstanding whether any such breach was previously waived or cured.
- 4.4** Notice of termination shall be provided in accordance with the "NOTICES" section of this Agreement.
- 4.5** In the event this Agreement is terminated for convenience, CONTRACTOR shall be paid for any services performed to the date the Agreement is terminated; however, upon being notified of BMPO's election to terminate, CONTRACTOR shall refrain from performing further services or incurring additional expenses under the terms of this Agreement. CONTRACTOR acknowledges and agrees that Ten Dollars (\$10.00) of the compensation to be paid by BMPO, the adequacy of which is hereby acknowledged by CONTRACTOR, is given as specific consideration to CONTRACTOR for BMPO's right to terminate this Agreement for convenience.
- 4.6** In the event this Agreement is terminated, any compensation payable by BMPO shall be withheld until all documents are provided to BMPO pursuant to Section 7.1 of this Agreement. In no event shall the BMPO be liable to CONTRACTOR for any additional compensation, other than that provided herein, or for any consequential or incidental damages.

SECTION 5. INDEMNIFICATION

To the fullest extent permitted by law, the CONTRACTOR hereby agrees to indemnify and hold harmless the BMPO, and its officials, employees and agents, from liabilities, damages, losses and costs including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the CONTRACTOR and other persons employed or utilized by the CONTRACTOR in the performance of this Agreement. The provisions of this section shall survive the expiration or earlier termination of this Agreement. To the extent considered necessary by the BMPO Executive Director and the BMPO Attorney, any sums due CONTRACTOR under this Agreement may be retained by BMPO until all of BMPO'S claims for indemnification pursuant to this Agreement have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by BMPO.

SECTION 6. INSURANCE

- 6.1** In order to insure the indemnification obligation contained above, CONTRACTOR shall, at a minimum, provide, pay for, and maintain in force at all times during the term of this Agreement, the insurance coverages as set forth in the RFQ (Exhibit "A"). This Agreement shall not be deemed approved until the CONTRACTOR has obtained all required insurance coverages and has supplied the BMPO with evidence of such coverage in the form of a Certificate of Insurance and endorsement. The BMPO shall approve such certificates prior to the performance of any services pursuant to this Agreement.

- 6.2** CONTRACTOR shall make this same requirement binding on any of its subcontractors. CONTRACTOR shall indemnify and save the BMPO harmless from any damage resulting to them for failure of any subcontractor to take out or maintain such insurance.

SECTION 7. MISCELLANEOUS

- 7.1 Contract Administrator.** The Contract Administrator is responsible to coordinate and communicate with CONTRACTOR and to manage and supervise the execution and completion of the Services and the terms and conditions of this Agreement as set forth herein. For purposes of the Agreement, Christopher Ryan, Project Manager/Director of Public Involvement and Communication/Title VI Coordinator for the BMPO is designated as the Contract Administrator.

7.2 Ownership of Documents. Unless otherwise provided by law, any and all reports, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of BMPO. In the event of termination of this Agreement, any reports, photographs, surveys and other data and documents prepared by CONTRACTOR, whether finished or unfinished, shall become the property of BMPO and shall be delivered by CONTRACTOR to the BMPO Executive Director within seven (7) days of termination of this Agreement by either party. Any compensation due to CONTRACTOR shall be withheld until all documents are received as provided herein.

7.3 Audit and Inspection Rights and Retention of Records. BMPO shall have the right to audit the books, records and accounts of CONTRACTOR that are related to this Agreement. CONTRACTOR shall keep such books, records, and accounts as may be necessary in order to record complete and correct entries related to this Agreement.

CONTRACTOR shall preserve and make available, at reasonable times for examination and audit by BMPO, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act (Chapter 119, Florida Statutes), if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement, unless CONTRACTOR is notified in writing by BMPO of the need to extend the retention period. Such retention of such records and documents shall be at CONTRACTOR'S expense. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by BMPO to be applicable to CONTRACTOR'S records, CONTRACTOR shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CONTRACTOR. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for BMPO's disallowance and recovery of any payment upon such entry.

In addition, CONTRACTOR shall respond to the reasonable inquiries of successor Contractors and allow successor Contractors to receive working papers relating to matters of continuing significance.

In addition, CONTRACTOR shall provide a complete copy of all working papers to the BMPO, prior to final payment by the BMPO, in accordance with the RFQ for CONTRACTOR services.

- 7.4 Policy of Non Discrimination.** CONTRACTOR shall not discriminate against any person in its operations, activities or delivery of services under this Agreement. CONTRACTOR shall affirmatively comply with all applicable provisions of federal, state and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation or any other factor which cannot be lawfully used as a basis for service delivery. CONTRACTOR agrees to comply with the provisions set forth in attached Appendix “A”, including Contractor’s responsibility to incorporate the provisions in subcontracts, throughout the term of this Agreement.
- 7.5 Public Entity Crime Act.** CONTRACTOR represents that the execution of this Agreement will not violate the Public Entity Crime Act (Section 287.133, Florida Statutes), which essentially provides that a person or affiliate who is a contractor, consultant or other provider and who has been placed on the convicted vendor list following a conviction for a Public Entity Crime may not submit a bid on a contract to provide any goods or services to BMPO, may not submit a bid on a contract with BMPO for the construction or repair of a public building or public work, may not submit bids on leases of real property to BMPO, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with BMPO, and may not transact any business with BMPO in excess of the threshold amount provided in Section 287.017, Florida Statutes, for category two purchases for a period of thirty six (36) months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in debarment from BMPO’S competitive procurement activities. In addition to the foregoing, CONTRACTOR further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a “public entity crime” and that it has not been formally charged with committing an act defined as a “public entity crime” regardless of the amount of money involved or whether CONTRACTOR has been placed on the convicted vendor list.

- 7.6 Independent Contractor.** CONTRACTOR is an independent contractor under this Agreement. Services provided by CONTRACTOR pursuant to this Agreement shall be subject to the supervision of CONTRACTOR. In providing such services, neither CONTRACTOR nor its agents shall act as officers, employees or agents of the BMPO. Personnel policies, tax responsibilities, social security and health insurance, employee benefits, purchasing policies and other similar administrative procedures applicable to services rendered under this Agreement shall be those of CONTRACTOR. This Agreement shall not constitute or make the parties a partnership or joint venture.
- 7.7 Third Party Beneficiaries.** Neither CONTRACTOR nor BMPO intends to directly or substantially benefit a third party by entering into this Agreement. Therefore, the parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against either of them. Based upon this Agreement the parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under this Agreement.
- 7.8 Notices.** Whenever either party desires to give notice to the other, such notice must be in writing, sent by certified United States Mail postage prepaid return receipt requested or by hand delivery with a request for a written receipt of acknowledgment of delivery, addressed to the party for whom it is intended at the place last specified. The place for giving notice shall remain the same as set forth herein until changed in writing in the manner provided in this section. For the present, the parties designate the following:

CONTRACTOR:

7.9 Assignment and Performance. Neither this Agreement nor any interest herein shall be assigned, transferred, or encumbered by CONTRACTOR. In addition, CONTRACTOR shall not subcontract any portion of the work required by this Agreement, except with the prior approval of the BMPO, which shall be in BMPO's sole and absolute discretion. A list of all such subcontractors shall be included in the Offer. If additional subcontractors are to be used during the term of this Agreement, other than those submitted in the Offer, a list of such subcontractors shall be provided to the BMPO, subject to BMPO's approval.

CONTRACTOR represents that all persons delivering the services required by this Agreement have the knowledge and skills, either by training, experience, education, or a combination thereof, to adequately and competently perform the duties, obligations, and services set forth in the RFQ and to provide and perform such services to BMPO's satisfaction for the agreed compensation.

CONTRACTOR shall perform its duties, obligations and services under this Agreement in a skillful and respectable manner.

7.10 Conflicts. Neither CONTRACTOR nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with CONTRACTOR's loyal and conscientious exercise of judgment related to its performance under this Agreement.

CONTRACTOR agrees that none of its officers or employees shall, during the term of this Agreement, serve as an expert witness against BMPO in any legal or administrative proceeding in which he or she is not a party, unless compelled by court process. Further, CONTRACTOR agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of BMPO in connection with any such pending or threatened legal or administrative proceeding. The limitations of this section shall not preclude CONTRACTOR or any other persons from representing themselves in any action or in any administrative or legal proceeding.

In the event CONTRACTOR is permitted to utilize subcontractors to perform any services required by this Agreement, CONTRACTOR agrees to prohibit such subcontractors, by written contract, from having any conflicts within the meaning of this section.

- 7.11 Contingency Fee.** CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONTRACTOR, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CONTRACTOR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For a breach or violation of this provision, BMPO shall have the right to terminate this Agreement without liability and, at its discretion, to deduct from the Agreement price or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.
- 7.12 Materiality and Waiver of Breach.** BMPO and CONTRACTOR agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this Agreement and, therefore, is a material term hereof. BMPO's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.
- 7.13 Compliance with Laws.** CONTRACTOR shall comply with all federal, state, and local laws, codes, ordinances, rules, and regulations in performing its duties, responsibilities, and obligations pursuant to this Agreement.
- 7.14 Severance.** In the event a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless BMPO or CONTRACTOR elects to terminate this Agreement. An election to terminate this Agreement based upon this provision shall be made within seven (7) days after the finding by the court becomes final.
- 7.15 Joint Preparation.** The parties acknowledge that they have sought and received whatever competent advice and counsel as was necessary for them to form a full and complete understanding of all rights and obligations herein and that the preparation of this Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other.

- 7.16 Priority of Provisions.** If there is a conflict or inconsistency between any term, statement, requirement, or provision of any exhibit attached hereto, any document or events referred to herein, or any document incorporated into this Agreement by reference and a term, statement, requirement, or provision of this Agreement, the term, statement, requirement, or provision contained in Articles 1 through 7 of this Agreement shall prevail and be given effect.
- 7.17 Applicable Law and Venue.** This Agreement shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any controversies or legal problems arising out of this Agreement and any action involving the enforcement or interpretation of any rights hereunder shall be submitted to the jurisdiction of the state courts of the Seventeenth Judicial Circuit of Broward County, Florida.
- 7.18 Amendments.** No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement.
- 7.19 Prior Agreements.** This Agreement and its attachments constitute the entire agreement between CONTRACTOR and BMPO, and this document incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. Accordingly, the parties agree that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that no modification, amendment or alteration in the terms or conditions contained here shall be effective unless set forth in writing in accordance with Section 7.17 above.
- 7.20 Drug-Free Workplace.** CONTRACTOR shall maintain a drug-free workplace.
- 7.21 Incorporation by Reference.** The truth and accuracy of each “Whereas” clause set forth above is acknowledged by the parties. The attached Exhibits are incorporated hereto and made a part of this Agreement.
- 7.22 Multiple Originals.** This Agreement may be fully executed in three (3) copies by all parties each of which, bearing original signatures, shall have the force and effect of an original document.
- 7.23 Headings.** Headings are for convenience of reference only and shall not be considered in any interpretation of this Agreement.

- 7.24 Binding Authority.** Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.
- 7.25 Public Records.** CONTRACTOR understands that the public shall have access, at all reasonable times, to all documents and information pertaining to BMPO contracts, subject to the provisions of Chapter 119, Florida Statutes, and agrees to allow access by the BMPO and the public to all documents subject to disclosures under applicable law. CONTRACTOR'S failure or refusal to comply with the provisions of this section shall result in the immediate cancellation of this Agreement by the BMPO.
- 7.26 Survival of Provisions.** Any terms or conditions of this Agreement that require acts beyond the date of its termination shall survive the termination of this Agreement, shall remain in full force and effect unless and until the terms of conditions are completed, and shall be fully enforceable by either party.
- 7.27 Truth-in-Negotiation Certificate.** Signature of this Agreement by CONTRACTOR shall act as the execution of a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation of this Agreement are accurate, complete, and current at the time of contracting.
- 7.28 Disadvantage Business Enterprise (DBE) Program.** The contractor, sub-recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of FTA-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deem appropriate.

The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 30 days from the receipt of each payment the prime contract receives from The BMPO. The prime contractor agrees further to return retainage payments to each subcontractor within 30 days after the subcontractors work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the BMPO. This clause applies to both DBE and non-DBE subcontracts.

Federal Contractual Provisions

EXHIBIT “C-1”

**FEDERAL TRANSIT ADMINISTRATION REQUIRED
CONTRACTUAL PROVISIONS**

The applicable provisions in this Section shall be set forth in any Contract resulting from this RFQ. By submitting a Proposal, Proposers acknowledge and agree to comply with the applicable provisions in this Section in the event they are awarded the Contract.

1. NO FEDERAL GOVERNMENT OBLIGATIONS TO THIRD PARTIES.

In connection with the Project, the Contractor agrees that, absent the Federal Government’s express written consent, the Federal Government shall not be subject to any obligations or liabilities to any subcontractor, lessee, third party contractor, or other participant at any tier of the Project, or other person or entity that is not a party to the Grant Agreement or Cooperative Agreement for the Project. Notwithstanding that the Federal Government may have concurred in or approved any solicitation, subcontract, lease, third party contract, or arrangement at any tier, the Federal Government has no obligations or liabilities to any entity other than the Contractor, including any subcontractor, lessee, third party contractor, or other participant at any tier of the Project.

2. FEDERAL LAWS, REGULATIONS, AND DIRECTIVES.

The Contractor agrees that Federal laws and regulations control Project award and implementation. The Contractor also agrees that Federal directives, as defined in the Master Agreement, provide Federal guidance applicable to the Project, except to the extent that FTA determines otherwise in writing. Thus, FTA strongly encourages adherence to applicable Federal directives. The Contractor understands and agrees that unless the Contractor requests FTA approval in writing, the Contractor may incur a violation of Federal laws or regulations, its Grant Agreement or Cooperative Agreement, or the Master Agreement if it implements an alternative procedure or course of action not approved by FTA.

The Contractor understands and agrees that Federal laws, regulations, and directives applicable to the Project and to the Contractor on the date on which the FTA Authorized Official awards Federal assistance for the Project may be modified from time to time. In particular, new Federal FTA laws, regulations, and directives may become effective after the date on which the Contractor executes this Agreement for the Project, and might apply to this Agreement. Contractor agrees that the most recent of such Federal laws, regulations, and directives will apply to the administration of the Project at any particular time, except to the extent that FTA determines otherwise in writing.

FTA's written determination may take the form of a Special Condition, Special Requirement, Special Provision, or Condition of Award within the Grant Agreement or Cooperative Agreement for the Project, a change to an FTA directive, or a letter to the Contractor signed by the Federal Transit Administrator or his or her duly authorized designee, the text of which modifies or conditions a specific provision of the Grant Agreement or Cooperative Agreement for the Project or this Agreement. To accommodate changing Federal requirements, the Contractor agrees to include in each agreement with each subcontractor, each lease, each third party contract, and other similar document implementing the Project notice that Federal laws, regulations, and directives may change and that the changed provisions will apply to the Project, except to the extent that FTA determines otherwise in writing. All standards or limits in this Agreement for the Project, and in the Master Agreement are minimum requirements, unless modified by FTA.

3. FALSE OR FRAUDULENT STATEMENTS OR CLAIMS.

Contractor acknowledges and agrees that:

(1) Civil Fraud. The Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. §§ 3801 et seq., and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to the Contractor's activities in connection with the Project. By executing Contract for the Project, the Contractor certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project. In addition to other penalties that may apply, the Contractor also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government, the Federal Government reserves the right to impose on the Contractor the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, to the extent the Federal Government deems appropriate.

(2) Criminal Fraud. If the Contractor makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal Government or includes a false, fictitious, or fraudulent statement or representation in any agreement with the Federal Government or the BMPO in connection with a Project authorized under 49 U.S.C. chapter 53 or any other Federal law, the Federal Government reserves the right to impose on the Contractor the penalties of 49 U.S.C. § 5323(I), 18 U.S.C. § 1001, or other applicable Federal law to the extent the Federal Government deems appropriate.

4. CIVIL RIGHTS.

The Contractor agrees to comply with all applicable civil rights laws and regulations, in accordance with applicable Federal directives, except to the extent that the Federal Government determines otherwise in writing. These include, but are not limited to, the following:

A. Nondiscrimination in Federal Public Transportation Programs. The Contractor agrees to comply, and assures the compliance of each subcontractor, lessee, third party contractor, or other participant at any tier of the Project, with the provisions of 49 U.S.C. § 5332, which prohibit discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or business opportunity.

B. Nondiscrimination – Title VI of the Civil Rights Act. The Contractor agrees to comply, and assures the compliance of each subcontractor, lessee, third party contractor, or other participant at any tier of the Project, with all provisions prohibiting discrimination on the basis of race, color, or national origin of Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. §§ 2000d et seq., and with U.S. DOT regulations, “Nondiscrimination in Federally-Assisted Programs of the Department of Transportation – Effectuation of Title VI of the Civil Rights Act,” 49 C.F.R. Part 21. Except to the extent FTA determines otherwise in writing, the Contractor agrees to follow all applicable provisions of the most recent edition of FTA Circular 4702.1A, “Title VI and Title VI-Dependent Guidelines for Federal Transit Administration Contractors,” and any other applicable Federal directives that may be issued.

C. Equal Employment Opportunity. The Contractor agrees to comply, and assures the compliance of each subcontractor, lessee, third party contractor, or other participant at any tier of the Project, with all equal employment opportunity (EEO) provisions of 49 U.S.C. § 5332, with Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e et seq., and implementing Federal regulations and any later amendments thereto. Except to the extent FTA determines otherwise in writing, the Contractor also agrees to follow all applicable Federal EEO directives that may be issued. Accordingly:

(1) General. The Contractor agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, sex, disability, age, or national origin. The Contractor agrees to take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, disability, age, or national origin. Such action shall include, but not be limited to, employment, upgrading, demotions or transfers, recruitment or recruitment advertising, layoffs or terminations; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

(2) Equal Employment Opportunity Requirements for Construction Activities. For activities determined by the U.S. Department of Labor (U.S. DOL) to qualify as “construction,” the Contractor agrees to comply and assures the compliance of each subcontractor, lessee, third party contractor, or other participant, at any tier of the Project, with all requirements of U.S. DOL regulations, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor,” 41 C.F.R. Parts 60 et seq.; with implementing Executive Order No. 11246, “Equal Employment Opportunity,” as amended by Executive Order No. 11375, “Amending Executive Order No. 11246 Relating to Equal Employment Opportunity,” 42 U.S.C. § 2000e note, and with other applicable EEO laws

and regulations, and also agrees to follow applicable Federal directives, except as the Federal Government determines otherwise in writing.

D. Disadvantaged Business Enterprise. To the extent authorized by Federal law, the Contractor agrees to facilitate participation by Disadvantaged Business Enterprises (DBEs) in the Project and assures that each subcontractor, lessee, third party contractor, or other participant at any tier of the Project will facilitate participation by DBEs in the Project to the extent applicable as follows:

(1) The Contractor agrees and assures that it shall comply with section 1101(b) of SAFETEA-LU, 23 U.S.C. § 101 note, and U.S. DOT regulations, "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs," 49 C.F.R. Part 26.

(2) The Contractor agrees and assures that it shall not discriminate on the basis of race, color, sex, or national origin in the award and performance of any subagreement, lease, third party contract, or other arrangement supported with Federal assistance derived from U.S. DOT in the administration of its DBE program and shall comply with the requirements of 49 C.F.R. Part 26. The Contractor agrees to take all necessary and reasonable steps as set forth in 49 C.F.R. Part 26 to ensure nondiscrimination in the award and administration of all subagreements, leases, third party contracts, and other arrangements supported with Federal assistance derived from U.S. DOT. As required by 49 C.F.R. Part 26, the Contractor's DBE program approved by U.S. DOT, if any, is incorporated by reference and made part of the Grant Agreement or Cooperative Agreement for the Project. The Contractor agrees that it has a legal obligation to implement its approved DBE program, and that its failure to carry out that DBE program shall be treated as a violation of the Grant Agreement or Cooperative Agreement for the Project and the Master Agreement. Upon notification by U.S. DOT to the Contractor of the Contractor's failure to implement its approved DBE program, U.S. DOT may impose the sanctions as set forth in 49 C.F.R. Part 26 and may, in appropriate cases, refer the matter to the appropriate Federal authorities for enforcement under 18 U.S.C. § 1001, or the Program Fraud Civil Remedies Act, 31 U.S.C. §§ 3801 et seq., or both.

E. Nondiscrimination on the Basis of Sex. The Contractor agrees to comply with all applicable requirements of Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. §§ 1681 et seq., and with implementing U.S. DOT regulations, "Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance," 49 C.F.R. Part 25, that prohibit discrimination on the basis of sex.

F. Nondiscrimination on the Basis of Age. The Contractor agrees to comply with all applicable requirements of:

(1) The Age Discrimination Act of 1975, as amended, 42 U.S.C. §§ 6101 et seq., and with implementing U.S. Health and Human Services regulations, "Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance," 45 C.F.R. Part 90, which prohibit discrimination against individuals on the basis of age in the administration of programs or activities receiving Federal financial assistance.

(2) The Age Discrimination in Employment Act (ADEA) 29 U.S.C. §§ 621 through 634 and with implementing U.S. Equal Employment Opportunity Commission (U.S. EEOC) regulations, "Age Discrimination in Employment Act," 29 C.F.R. Part 1625, which prohibits discrimination against individuals on the basis of age.

G. Access for Individuals with Disabilities. The Contractor agrees to comply with 49 U.S.C. § 5301(d), which states the Federal policy that elderly individuals and individuals with disabilities have the same right as other individuals to use public transportation services and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement transportation accessibility rights for elderly individuals and individuals with disabilities. The Contractor also agrees to comply with all applicable provisions of section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, which prohibits discrimination on the basis of disability in the administration of programs or activities receiving Federal financial assistance; with the Americans with Disabilities Act of 1990 (ADA), as amended, 42 U.S.C. §§ 12101 et seq., which requires that accessible facilities and services be made available to individuals with disabilities; with the Architectural Barriers Act of 1968, as amended, 42 U.S.C. §§ 4151 et seq., which requires that buildings and public accommodations be accessible to individuals with disabilities; and with other laws and amendments thereto pertaining to access for individuals with disabilities that may be applicable. In addition, the Contractor agrees to comply with applicable implementing Federal regulations, and any later amendments thereto, and agrees to follow applicable Federal implementing directives, except to the extent FTA approves otherwise in writing. Among those regulations and directives are:

- (1) U.S. DOT regulations, "Transportation Services for Individuals with Disabilities (ADA)," 49 C.F.R. Part 37;

H. Drug or Alcohol Abuse - Confidentiality and Other Civil Rights Protections. To the extent applicable, the Contractor agrees to comply with the confidentiality and civil rights protections of the Drug Abuse Office and Treatment Act of 1972, as amended, 21 U.S.C.

§§ 1101 et seq., the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, as amended, 42 U.S.C. §§ 4541 et seq., and the Public Health Service Act of 1912, as amended, 42 U.S.C. §§ 290dd through 290dd-2, and any amendments thereto.

I. Access to Services for Persons with Limited English Proficiency. The Contractor agrees to facilitate compliance with the policies of Executive Order No. 13166, "Improving Access to Services for Persons with Limited English Proficiency," 42 U.S.C. § 2000d-1 note, and follow applicable provisions of U.S. DOT Notice, "DOT Policy Guidance Concerning Contractors' Responsibilities to Limited English Proficiency (LEP) Persons," 70 Fed. Reg. 74087, December 14, 2005, except to the extent that FTA determines otherwise in writing.

J. Environmental Justice. The Contractor agrees to facilitate compliance with the policies of Executive Order No. 12898, "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 42 U.S.C. § 4321 note; and DOT Order 5620.3, "Department of Transportation Actions To Address Environmental Justice in Minority Populations and Low-Income Populations," 62 Fed. Reg. 18377 et seq., April 15, 1997, except to the extent that the Federal Government determines otherwise in writing.

K. Other Nondiscrimination Laws. The Contractor agrees to comply with applicable provisions of other Federal laws and regulations, and follow applicable Federal directives prohibiting discrimination, except to the extent the Federal Government determines otherwise in writing.

5. FEDERAL STANDARDS.

The Contractor agrees to comply with applicable third party procurement requirements of 49 U.S.C. chapter 53 and Federal laws in effect now or subsequently enacted; with applicable U.S. DOT third party procurement regulations at 49 C.F.R. § 18.36 or 49 C.F.R. §§ 19.40 through 19.48, and with other applicable Federal regulations pertaining to third party procurements and later amendments thereto. The Contractor also agrees to follow the provisions of the most recent edition and revisions of FTA Circular 4220.1F, "Third Party Contracting Guidance," except to the extent FTA determines otherwise in writing. The Contractor agrees that it may not use FTA assistance to support its third party procurements unless its compliance with Federal laws and regulations is satisfactory. Although the FTA "Best Practices Procurement Manual" provides additional third party contracting information, the Contractor understands and agrees that the FTA "Best Practices Procurement Manual" may omit certain Federal requirements applicable to specific third party contracts.

6. ACCESS TO THIRD PARTY CONTRACT RECORDS.

The Contractor agrees to require, and assures that its subcontractors require, their third party contractors and third party subcontractors at each tier to provide to the U.S. Secretary of Transportation and the Comptroller General of the United States or their duly authorized representatives, access to all third party contract records as required by 49 U.S.C. § 5325(g). The Contractor further agrees to require, and assures that its subcontractors require, their third party contractors and third party subcontractors, at each tier, to provide sufficient access to third party procurement records as needed for

compliance with Federal laws and regulations or to assure proper Project management as determined by FTA.

7. RIGHT OF THE FEDERAL GOVERNMENT TO TERMINATE.

Upon written notice, the Contractor agrees that the Federal Government may suspend or terminate all or any part of the Federal assistance to be provided for the Project if the Contractor has violated the terms of the Grant Agreement or Contract for the Project including the Master Agreement, or if the Federal Government determines that the purposes of the laws authorizing the Project would not be adequately served by the continuation of Federal assistance for the Project. The Contractor understands and agrees that any failure to make reasonable progress on the Project or any violation of the Grant Agreement or Contract for the Project, or the Master Agreement that endangers substantial performance of the Project shall provide sufficient grounds for the Federal Government to terminate the Grant Agreement or Cooperative Agreement for the Project. In general, termination of Federal assistance for the Project will not invalidate obligations properly incurred by the Contractor before the termination date to the extent those obligations cannot be canceled. If, however, the Federal Government determines that the Contractor has willfully misused Federal assistance by failing to make adequate progress, by failing to make reasonable and appropriate use of Project property, or by failing to comply with the terms of the Grant Agreement or Contract for the Project including the Master Agreement, the Federal Government reserves the right to require the Contractor to refund the entire amount of Federal assistance provided for the Project or any lesser amount as the Federal Government may determine. Expiration of any Project time period established for the Project does not, by itself, constitute an expiration or termination of the Grant Agreement or Cooperative Agreement for the Project.

8. DEBARMENT AND SUSPENSION.

The Contractor agrees to comply with applicable provisions of Executive Orders Nos. 12549 and 12689, "Debarment and Suspension," 31 U.S.C. § 6101 note, and U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 C.F.R. Part 1200, which adopt and supplement the provisions of U.S. Office of Management and Budget (U.S. OMB), "Guidelines to Agencies on Government wide Debarment and Suspension (Nonprocurement)," 2 C.F.R. Part 180. To the extent required by these U.S. DOT regulations and U.S. OMB guidance, the Contractor agrees to review the "Excluded Parties Listing System" at <http://epls.gov/> and to include a similar term or condition in each lower tier covered transaction, assuring that, to the extent required by the U.S. DOT regulations and U.S. OMB guidance, each subcontractor, lessee, third party contractor, and other participant at a lower tier of the Project, will review the "Excluded Parties Listing System" at <http://epls.gov/>, and will include a similar term or condition in each of its lower tier covered transactions.

9. BUY AMERICA REQUIREMENTS

The Successful Proposer is hereby notified that this project is funded with federal funds from the FTA. Therefore, this project shall comply with the Buy America regulations published at 49 CFR Part 661. The Contractor shall comply with 49 U.S.C. §5323(j) and FTA regulations, "Buy America Requirements," 49 CFR Part 661, and any amendments

thereto in performing the Services requested in this RFQ. If applicable, the Buy America certification forms shall be completed, signed, notarized and returned to the BMPO prior to Contract award.

10. DISPUTES, BREACHES, DEFAULTS, OR OTHER LITIGATION.

The Contractor agrees that FTA has a vested interest in the settlement of any dispute, breach, default, or litigation involving the Project. Accordingly:

A. Notification to FTA. The Contractor agrees to notify FTA in writing of any current or prospective major dispute, breach, default, or litigation that may affect the Federal Government's interests in the Project or the Federal Government's administration or enforcement of Federal laws or regulations. If the Contractor seeks to name the Federal Government as a party to litigation for any reason, in any forum, the Contractor agrees to inform FTA in writing before doing so. At a minimum, each notice to FTA under Section 56 of the Master Agreement shall be provided to the FTA Regional Counsel within whose Region the Contractor operates its public transportation system or implements the Project.

B. Federal Interest in Recovery. The Federal Government retains the right to a proportionate share of any proceeds derived from any third party recovery, based on the percentage of the Federal share awarded for the Project, except that the Contractor may return liquidated damages recovered to its Project Account in lieu of returning the Federal share to the Federal Government.

C. Enforcement. The Contractor agrees to pursue its legal rights and remedies available under any third party contract or available under law or regulations.

D. FTA Concurrence. FTA reserves the right to concur in any compromise or settlement of any claim involving the Project and the Contractor.

E. Alternative Dispute Resolution. FTA encourages the Contractor to use alternative dispute resolution procedures, as may be appropriate.

11. LOBBYING RESTRICTIONS.

The Contractor agrees that:

(1) In compliance with 31 U.S.C. § 1352(a), it will not use Federal assistance to pay the costs of influencing any officer or employee of a Federal agency, Member of Congress, officer of Congress or employee of a member of Congress, in connection with making or extending the Contract;

(2) In addition, it will comply with other applicable Federal laws and regulations prohibiting the use of Federal assistance for activities designed to influence Congress or a State legislature with respect to legislation or appropriations, except through proper, official channels; and

(3) It will comply, and will assure the compliance of each subcontractor, third party contractor, or other participant at any tier of the Project with U.S. DOT regulations, "New Restrictions on Lobbying," 49 C.F.R. Part 20, modified as necessary by 31 U.S.C. § 1352, as amended.

12. CLEAN AIR.

Except to the extent the Federal Government determines otherwise in writing, the Contractor agrees to comply with all applicable Federal laws and regulations and follow

applicable Federal directives implementing the Clean Air Act, as amended, 42 U.S.C. §§ 7401 through 7671q. Specifically:

(1) The Contractor agrees to comply with the applicable requirements of subsection 176(c) of the Clean Air Act, 42 U.S.C. § 7506(c); with U.S. EPA regulations, “Determining Conformity of Federal Actions to State or Federal Implementation Plans,” 40 C.F.R. Part 93, Subpart A; and with any other applicable Federal conformity regulations that may be promulgated at a later date. To support the requisite air quality conformity finding for the Project, the Contractor agrees to implement each air quality mitigation or control measure incorporated in the applicable documents accompanying the approval of the Project. The Contractor further agrees that any Project identified in an applicable State Implementation Plan (SIP) as a Transportation Control Measure will be wholly consistent with the design concept and scope of the Project described in the SIP.

(2) U.S. EPA also imposes requirements implementing the Clean Air Act, as amended, that may apply to public transportation operators, particularly operators of large public transportation bus fleets. Accordingly, to the extent they apply to the Project, the Contractor agrees to comply with U.S. EPA regulations, “Control of Air Pollution from Mobile Sources,” 40 C.F.R. Part 85; U.S. EPA regulations, “Control of Air Pollution from New and In-Use Motor Vehicles and New and In-Use Motor Vehicle Engines,” 40 C.F.R. Part 86; and U.S. EPA regulations “Fuel Economy of Motor Vehicles,” 40 C.F.R. Part 600, and any revisions thereto.

(3) The Contractor agrees to comply with the notice of violating facility provisions of section 306 of the Clean Air Act, as amended, 42 U.S.C. § 7414, and facilitate compliance with Executive Order No. 11738, “Administration of the Clean Air Act and the Federal Water Pollution Control Act with Respect to Federal Contracts, Grants, or Loans,” 42 U.S.C. § 7606 note.

13. CLEAN WATER.

Except to the extent the Federal Government determines otherwise in writing, the Contractor agrees to comply with all applicable Federal laws and regulations and follow applicable Federal directives implementing the Clean Water Act, as amended, 33 U.S.C. §§ 1251 through 1377. Specifically:

(1) The Contractor agrees to protect underground sources of drinking water in compliance with the Safe Drinking Water Act of 1974, as amended, 42 U.S.C. §§ 300f through 300j-6.

(2) The Contractor agrees to comply with the notice of violating facility provisions of section 508 of the Clean Water Act, as amended, 33 U.S.C. § 1368, and facilitate compliance with Executive Order No. 11738, “Administration of the Clean Air Act and the Federal Water Pollution Control Act with Respect to Federal Contracts, Grants, or Loans,” 42 U.S.C. § 7606 note.

14. RIGHTS IN DATA AND COPYRIGHTS.

A. Definition. The term “subject data,” as used in Section 18 of the Master Agreement means recorded information, whether or not copyrighted, that is delivered or specified to be delivered under the Grant Agreement or Contract for the Project. Examples include, but are not limited to: computer software, standards, specifications, engineering drawings and associated lists, process sheets, manuals, technical reports, catalog item

identifications, and related information. "Subject data" do not include financial reports, cost analyses, or other similar information used for Project administration.

B. General. The following restrictions apply to all subject data first produced in the performance of the Grant Agreement or Contract for the Project:

(1) Except for its own internal use, the Contractor may not publish or reproduce subject data in whole or in part, or in any manner or form, nor may the Contractor authorize others to do so, without the prior written consent of the Federal Government and the BMPO, unless the Federal Government has previously released or approved the release of such data to the public.

(2) The restrictions on publication of Paragraph 18.b(1) of the Master Agreement, however, do not apply to a Grant Agreement or Contract with an institution of higher learning.

C. Federal Rights in Data and Copyrights. The Contractor agrees to provide to the Federal Government a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal Government purposes the subject data described in the Subsection 18.c of the Master Agreement. As used herein, "for Federal Government purposes," means use only for the direct purposes of the Federal Government. Without the copyright owner's consent, the Federal Government may not provide or otherwise extend to other parties the Federal Government's license to:

(1) Any subject data developed under the Grant Agreement or Contract for the Project, or under a subcontract, lease, third party contract or other arrangement at any tier of the Project, supported with Federal assistance derived from the Grant Agreement or Contract for the Project, whether or not a copyright has been obtained; and

(2) Any rights of copyright to which a Contractor, subcontractor, lessee, third party contractor, or other participant at any tier of the Project purchases ownership using Federal assistance.

D. Special Federal Rights in Data for Research, Development, Demonstration, and Special Studies Projects. In general, FTA's purpose in providing Federal assistance for a research, development, demonstration, or special studies Project is to increase transportation knowledge, rather than limit the benefits of the Project to Project participants. Therefore, when the Project is completed, the Contractor agrees to provide a Project report that FTA may publish or make available for publication on the Internet. In addition, the Contractor agrees to provide other reports pertaining to the Project that FTA may request. The Contractor agrees to identify clearly any specific confidential, privileged, or proprietary information it submits to FTA. In addition, except to the extent that FTA determines otherwise in writing, the Contractor of Federal assistance to support a research, development, demonstration, or a special studies Project agrees that, in addition to the rights in data and copyrights that it must provide to the Federal Government as set forth in Subsection 18.c of the Master Agreement, FTA may make available to any FTA Contractor, subcontractor, third party contractor, third party subcontractor or other participant at any tier of the Project, either FTA's license in the copyright to the subject data or a copy of the subject data. If the Project is not completed for any reason whatsoever, all data developed under the Project shall become subject data as defined in Subsection 18.a of the Master Agreement and shall be delivered as the Federal Government may direct. This does not apply to adaptations of automatic data processing

equipment or programs for the Contractor's use when the costs thereof are financed with Federal assistance through an FTA capital program.

E. License Fees and Royalties. FTA considers income earned from license fees and royalties for copyrighted material, or trademarks produced under the Project to be program income. Except to the extent FTA determines otherwise in writing, as provided in 49 C.F.R. Parts 18 and 19, the Contractor has no obligation to the Federal Government with respect to that program income, apart from compliance with 35 U.S.C. §§ 200 et seq., which applies to patent rights developed under a research project.

F. Hold Harmless. Except as prohibited or otherwise limited by State law or except to the extent that FTA determines otherwise in writing, upon request by the Federal Government, the Contractor agrees to indemnify, save, and hold harmless the Federal Government and its officers, agents, and employees acting within the scope of their official duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use, or disposition of any data furnished under the Project. The Contractor shall not be required to indemnify the Federal Government for any such liability caused by the wrongful acts of Federal employees or agents.

G. Restrictions on Access to Patent Rights. Nothing in Section 18 of the Master Agreement pertaining to rights in data shall either imply a license to the Federal Government under any patent or be construed to affect the scope of any license or other right otherwise granted to the Federal Government under any patent.

H. Data Developed Without Federal Funding or Support. In connection with the Project, the Contractor may find it necessary to provide data to FTA developed without any Federal funding or support by the Federal Government. The requirements of Subsections 18.b, 18.c, and 18.d of the Master Agreement do not apply to data developed without Federal funding or support by the Federal Government, even though that data may have been used in connection with the Project. Nevertheless, the Contractor understands and agrees that the Federal Government will not be able to protect data from unauthorized disclosure unless that data is clearly marked "Proprietary" or "Confidential."

I. Requirements to Release Data. To the extent required by U.S. DOT regulations, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations," at 49 C.F.R. § 19.36(d), or other applicable Federal laws or Federal regulations, the Contractor understands and agrees that the data and information it submits to the BMPO or Federal Government may be required to be released in accordance with the Freedom of Information Act (or another Federal law or Federal regulation providing access to such records).
