Invoices which have to be returned to an Agency because of vendor preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Agencies who may be experiencing problems in obtaining timely payment(s) from the Department. A December 29, 2004 Federal Register Notice, FTA Fiscal Year 2005 Apportionments and Allocations, provides a table (Table 2) which contains the final combined State apportionments. The funding ratio for these grants is 80 percent Federal, 20 percent local match of net project costs.
