

PROPOSED VISION, MISSION, GOALS, AND OBJECTIVES

Housing Coordination Plan

VISION

An equitable and reliable transportation system that enhances access to housing, employment, and opportunities across Broward County.

MISSION

To address Broward County's affordable housing crisis and transportation challenges through targeted transportation investments that deliver positive measurable impacts.

GOALS

1
Promote Transit-Supportive Affordable Housing and Enhanced Accessibility

2
Establish and Operationalize the Housing Route Marker

3
Strengthen BMPO's Role in Aligning Transportation Investments with Affordable Housing Goals

OBJECTIVES

1. Align transportation investments with the principles of **accessibility, connectivity, and mobility** to support affordable housing and equitable development.
2. Prioritize transportation projects that connect affordable housing to **transit, multimodal options, and non-motorized transportation facilities**.
3. Strengthening connectivity between affordable housing and **employment hubs, activity centers, and essential services, including parks, hospitals, schools, and other quality-of-life locations**.
4. Promote multimodal connections to affordable housing to reduce transportation barriers.
5. Align the HCP with **BMPO's resilience initiatives** to ensure long-term sustainability and community resilience.

1. Define the BMPO's roles in achieving the Affordable Housing Master Plan's (AHMP) goals.
2. **Establish eligibility criteria and minimum requirements** for transportation projects under the Housing Marker.
3. Develop a **BMPO Report Card** to evaluate past projects' performance in meeting Housing Marker goals and identify gaps or shortfalls.
4. Refine Housing Route Marker criteria and strategies using insights from **national best practices** and the BMPO Report Card.

1. Define the BMPO's roles in achieving the **Affordable Housing Master Plan's** goals.
2. **Define BMPO's regulatory role** in coordinating transportation funding and planning with affordable housing initiatives.
3. **Coordinate collaboration across all BMPO funding programs and major initiatives**, with a focus on affordable housing considerations.
4. **Establish a transparent evaluation matrix** to assess and rank transportation projects, incorporating eligibility criteria, minimum requirements, and established prioritization standards.
5. **Develop prioritization standards** for the BMPO Call for Projects and Planning and Programming efforts, specifically integrating affordable housing considerations.
