Dear Mr. Stuart:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2024/25 – 2028/29 Transportation Improvement Program.

This amendment is required because new projects have been added to the work program and need to be reflected in the TIP.

These projects are consistent with the goals of the Broward Metropolitan Planning Organization’s Long-Range Transportation Plan. The TIP amendment remains financially constrained. A State Transportation Improvement Program (STIP) amendment is required.

The TIP amendments are as follows:

This includes Arterial Dynamic Message Signs (ADMS), CCTV, Bluetooth Devices and Variable Speed Limit Signs. The first portion has already been programmed under FM 449819-1.
