Dear Mr. Stuart:

Pursuant to *Part IV – Chapter 5: Statewide and Local Transportation Improvement Programs (STIP and TIP) of the Work Program Instructions*, the Florida Department of Transportation (FDOT) requests your processing and approval of the attached amendment to the FY 2024/25 – 2028/29 Transportation Improvement Program.

This amendment is required because a project has been deleted from the work program and needs to be reflected in the TIP.

These projects are consistent with the goals of the Broward Metropolitan Planning Organization’s Long-Range Transportation Plan. The TIP amendment remains financially constrained. A State Transportation Improvement Program (STIP) amendment is required.

The TIP amendments are as follows:
