### Top 3 Reasons Why Sun Trolley = Safer Streets

#### 1. Safer Streets

Data shows that public transit is one of the safest ways to travel - the Sun Trolley has been operating since 1992.

#### 2. Safer Rides

Safety cameras, ADA ramps and state-of-the-art display systems are on each trolley.

#### 3. Safer Environment

Fewer single occupant vehicles jamming the roads = lower emissions. The *NEW* Riverwalk Water Trolley even runs on an environmentally friendly diesel electric engine.
