## Safe Streets Summit Sponsorship Opportunities

The Safe Streets Summit is celebrating its 10 year anniversary of bringing top speakers, dynamic plenary sessions, and invaluable networking opportunities. The conference is a collaborative effort between the Miami-Dade Transportation Planning Organization, the Broward Metropolitan Planning Organization and the Palm Beach Transportation Planning Agency providing a local yet regionally connected approach for advancing Complete Streets throughout Southeast Florida.

### Audience

Each annual event has been at capacity, and in previous years has included nearly 500 elected officials, dignitaries, national speakers, technical staff and community partners. We are expecting 500+ attendees again this year!

### Program

Every year, the Safe Streets Summit attracts top national leaders and experts on Complete Streets and building safe and equitable communities. Previous speakers have included 17th US Secretary of Transportation, Anthony Foxx; Barbara McCann with USDOT; Emiko Atherton, formerly from the National Coalition for Complete Streets, a program of Smart Growth America; Leah Shahum from Vision Zero; Tamika Butler from Tamika L. Butler Consulting, and Karina Ricks from the Federal Transit Administration.

### Sponsor Benefits

As a sponsor, your organization will be supporting the advancement of Complete Streets and safe, healthy, economically vibrant, and equitable communities throughout South Florida. You will also receive tremendous benefits including visibility for your organization, with more than 500 individuals from diverse organizations including city, state, and national leaders attending.

**A 10% sponsorship discount is being offered to Legacy Sponsors (returning sponsors) if signed up by Monday, November 18, 2022.**
