III. Hollywood Presentation	<p><i>Presentation by Dale Bryant</i></p> <p>Early Considerations</p> <ul style="list-style-type: none"> Interest on Complete Streets was generated by a variety of stakeholders. But there were challenges that the City had to work through. City Commission passed Resolution passed Sept 2013. The City is committed to implementing the complete street 	

	<p>guidelines in an efficient and effective manner.</p> <p>How the Hollywood Blvd Project was Born</p> <ul style="list-style-type: none"> • Many projects in the surrounding area have been completed and the corridor between City Hall and Dixie Hwy is a missing link. • Challenges – Safe crossing for pedestrians, angle parking, black olive tree not able to grow in the space given, under-utilized existing parking. <p>Goal of the corridor re-design</p> <ul style="list-style-type: none"> • Promote a street that is multimodal. • Integrate place-making design concepts. • Improvements to pedestrian and transit access. <p>Benefits of project</p> <ul style="list-style-type: none"> • Paving, drainage, mid-intersection crosswalks, bike lane, lighting, landscaping, public art, ADA parking spaces, safer parking coordination. <p>Questions</p> <ul style="list-style-type: none"> • The need to look at the interconnection of the residents. • Funding by MPO and City of Hollywood. • Public involvement has included walking business to business to give information out about the project. 	
<p>IV. Hollywood Blvd Site Walk</p>	<ul style="list-style-type: none"> • Dale led group on a site walk. 	
<p>V. Next Steps</p>	<ul style="list-style-type: none"> • Next meeting May 12th (Update on 2040 LRTP).
