City of Sunrise Complete Streets Efforts

Complete Streets Strategy

The City Commission adopted a Resolution (C14193) on July 8, 2014, expressing its commitment to Complete Streets Policies and its practices which help encourage the design, planning and construction of safer, healthier streets to ultimately increase physical activity and improve the health of neighborhoods.

City of Sunrise Complete Streets Efforts

Bicycle Pedestrian Advisory Board

On January 14, 2014 the City Commission amended the City Code to create the BPAB, with the vision to make the City a more bicycle and pedestrian friendly city by integrating pedestrian and bicycle-related policies and programs in the City's planning, development, implementation and programmatic initiatives

City of Sunrise Complete Streets Efforts

Bicycle/Pedestrian Greenways & Trails Master Plan

- On May 27, 2014 the City Commission approved the award of the Master Plan
- The Master Plan will look at the entire City and will be all inclusive
- The Consultant will be presenting the Master Plan to the City Commission on October 28, 2014

City of Sunrise Complete Streets Efforts
