PUBLIC NOTICE

POSTING OF THE Broward MPO's DECISION TO EXTEND ADVERTISEMENT SOLICITATION

SOLICITATION NUMBER: RFP No. 17-05 Addendum No. 2
SOLICITATION TITLE: 2045 Regional Transportation Plan

- The Broward MPO has elected to extend the advertisement period for the above referenced solicitation.
- This extension is due to the insufficient number of responses for this solicitation.
- Vendors who previously submitted a proposal for this project DO NOT need to resubmit. However, a Vendor who previously submitted a proposal must submit to the Broward MPO a written signed letter no later than the new extended closing date indicating their desire for the Broward MPO (i) to consider their previously submitted proposal; or (ii) make any changes or modifications they may deem appropriate. A Vendor's failure to submit a timely written statement of direction to the Broward MPO will nullify the previously submitted proposal.
- The previously submitted proposals received for RFP No. 17-05 remain exempt from the public records until such time as the Broward MPO provides notice of an intended award decision concerning the extended solicitation.

It is the responsibility of all potential proposers to monitor the Broward MPO solicitation site for any and all advertisements, extensions, re-advertisements or changing information for this project.
