THE POSITION

The Broward Metropolitan Planning Organization (MPO) has an exciting opportunity for a talented professional to join our team as a Senior Transit Planner. The MPO is looking for professional skills and abilities to complement our existing staff to ensure organizational needs are met with technical and transportation project management experience combined with strong communication skills, and the ideal candidate has a transportation planning background with experience managing large, complex projects.

THE CANDIDATE

We are looking for an outstanding candidate with an interest and significant experience in the professional area noted above. The ideal candidate is an experienced professional with a background in transportation planning, project management, contract management, and knowledgeable of project compliance with regard to all applicable federal, state, and local rules and regulations.

The successful candidate will hold a bachelor's degree in Planning, Urban Studies, Engineering, Architecture, or related field plus four (4) years of progressive responsible experience. A Master's Degree in Planning or Public Administration or related field may substitute for one (1) year of professional experience; or any equivalent combination of relevant training and experience that provide the requisite knowledge, skills and abilities for this position, which may serve as a substitute at the discretion of the MPO.

ABOUT BROWARD MPO

The MPO provides essential multimodal transportation planning services to over 30 municipalities and Broward County, while also working with partners in Miami-Dade and Palm Beach counties to plan for the Southeast Florida region. The thriving region is home to almost six million residents, with almost two million in Broward County alone, and another two million anticipated to call Southeast Florida home in the next 20 years.
